

LINGORD

Agricultural Covers

LINGORD – RPE-160-CG

The LINGORD RPE-160-CG is a woven PE cover for greenhouses and tunnels, with unique UV resistance formula and approved mechanical strength which makes it last for many years, even in extreme weather conditions. This cover can be used as roof cover, side cover, rollup and more and we produce it at any requested size and shape. We can also fabricate (stitch / weld / etc.) this cover and combine it with insect net / hail net / shade as per client's request.

• IR and AD additives are available
